

Vincent Raquin, *PhD*

Lecturer @EPHE-PSL  
Vector biologist

## Work experience

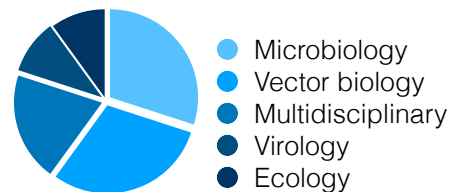

- 2021-current Lecturer - École Pratique des Hautes Études (EPHE-PSL)  
*Arbovirus transmission by insect vectors*
- 2019-2021 Post-doctorate - Mosquito microbial ecology (IVPC/LEM, Lyon)  
*Bacteria - arbovirus & their impact on mosquito biology*
- 2017-2019 Post-doctorate - Host-microbe interactions (IGFL/LBBE, Lyon)  
*Polymicrobial associations and antiviral response in Drosophila*
- 2013-2015 Post-doctorate - Arbovirology (Institut Pasteur, Paris)  
*Genetics of Ae. aegypti-dengue virus interactions*
- 2009-2012 *PhD* - Biology (LEM, Lyon) *Wolbachia-arbovirus in mosquitoes*

## Education & training

- 2012 *PhD* in biology - host/parasite interactions (Lyon1)
- 2009 Master in microbiology & ecology (Lyon1)
- 2007 Bachelor in Microbiology (Lyon1)

## Publications

- [Google scholar](#) > primary research articles (14 in feb 2025)
- 1 book chapter ([DOI](#))
- 851 citations | h-index = 9 (WOS, Scholar, 2025)
- +30 congresses / seminars
- [Social media](#)

## Teaching

- Co-head of M2 Infectiology, Master BioP @EPHE-PSL
- Head of EcoHealth module (L3 SMD, PSL, 30h)
- Head of Emerging pathogens module (M2 BioP, 30h)
- Head of One Health model (M2 BioP, 30h)
